The Museum Treasure Hunt

Welcome Young Explorer!

This is your first treasure hunt. So choose an explorer's name for yourself (or, you can decide on one after you've met a few in our museum).

We've made it easier by giving a clue. All you have to do is connect the right question with the right answer box. So, **get ready, steady...Go!** (Pssst! Keep the answers to yourself for now. Once you hand in your sheet to any member of our staff, and if your answers are correct - a prize awaits you!)
